

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

DDI #2401-82
23 March 1982

NOTE FOR: Director of Personnel

FROM: Richard Lehman
[redacted] Vice Chairman

As you may know, the SRP is now under the NIC's jurisdiction. Since I just returned from leave, I did not see the attached until after Harry had signed off and it had gone forward. I am sure that he was unaware that [redacted] had received a medal under similar circumstances. It would be unseemly and would offend SRP no end if [redacted] were not similarly honored. I would like therefore to request that the Board consider raising the level of this recommendation to correspond to that for [redacted] I have discussed this with John McMahon, who has much the same reaction.

[redacted]
Richard Lehman
